Sir:

This is a Information Disclosure Statement submitted for the Examiner's consideration. Forms PTO-1449 listing the references accompany this paper. Applicants would appreciate the Examiner's initialing and returning the forms to indicate that the references have been reviewed and made of record. Copies of the U.S. references cited are not included herein, pursuant to the waiver of the requirement under 37 CFR 1.98(a)(2)(i) for patent applications filed after June 30, 2003, provisions of 37 C.F.R. Section 1.98(d). Copies of all other references are included for the Examiner's review.

Included with the Information Disclosure Statement is a search report from a foreign office in regard to a foreign counterpart application. Each item of information cited herewith that was cited in the Foreign Search Report was cited in the Search Report not more than three months prior to the filing of the statement.

This Supplemental Information Disclosure Statement is not intended as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that any one of the above references constitutes prior art to the present application within the meaning of 35 U.S.C. §102.

As applicants have not yet received a first Action on the merits, no fee is believed to be required for filing this Disclosure Statement. If, however, the PTO finds that for some reason a fee is due, our Deposit Account No. 50-2653, order No. EXPL-004 may be charged therefore.
